From Jaden 5/14/14

Where have I extended rights or privileges to other beings or technologies
(across all time, space, dimensions, realities & realms) to access, control,
manipulate or effect any version or layer of my body or body systems?

I now destroy & uncreate all these rights, agreements and privileges across
all time, space, dimensions, realities & realms. *Rescind, revoke, recant, reclaim,
renounce, denounce, destroy & uncreate, make null & void... Right & Wrong, Good & Bad, POD &
POC, all 9's, shorts, boys, & beyonds™*

All the SHICUUUU, stupidity, unconsciousness, anti-consciousness around
this I destroy & uncreate it all. *Right & Wrong, Good & Bad...*
